SC 260 USB ML

 **SENNHEISER**
The Pursuit of Perfect Sound

Optimized for

SC 260 USB ML

SC 260 USB ML is a competitively priced dual-sided headset optimized for Microsoft Lync. With the focus on managing calls seamlessly using one device, SC 260 USB ML with call control offers great functionality, easy handling and convenience, and the added benefit of great stereo sound. Features include: CircleFlex® patent-pending dual-hinge ear cup for perfect fit and supreme comfort, noise-canceling microphone, and a lightweight raised profile headband with numbered grooves. SC 260 USB ML is the ideal headset for all-day users of Microsoft Lync who require Sennheiser voice clarity and maximum call-handling flexibility when working in busy Unified Communications environments.

Features and Benefits:

- Optimized for Microsoft Lync – with integrated call control and USB connector
- Best-in-class comfort – CircleFlex® patent-pending dual-hinge ear cup system that adapts seamlessly to your ears, for instant perfect fit and relaxed all-day wearing
- Noise-canceling microphone – filters out ambient noise for optimum speech clarity
- Unique robust construction – crafted with look and feel in mind
- Dual-sided wearing style – numbered headband grooves for step-by-step adjustment ensures perfect binaural sound reproduction in noisy environments
- Durability – metal reinforced headband designed for years of wearing pleasure
- Sennheiser voice clarity – wideband sound for a natural listening experience
- Bendable boom arm – ensures microphone position is always optimal. Cannot be twisted out of position
- Pivotal boom – rotates through 350 degrees for wearing flexibility on right or left ear and precision microphone placement
- Name tag personalization – easy user ID helps to avoid wearing a neighbor's headset
- ActiveGard® – technology protects you from acoustic shock and sudden sound bursts
- Peace of mind – 2-year international warranty

Product Information

Product name	SC 260 USB ML			
Art. No.	504408			
EAN No.	40 44155 05142 1			
UPC No.	6 15104 18122 9			
Product description	Binaural UC HS for Lync			
General Data				
Wearing style	Headband, binaural (dual-sided)			
Cable length	2.9 m / 9.5 ft

Experience Sennheiser

Perfection is always relative: Users have different expectations from their headsets depending on their needs. For professional users, that need is to communicate as effectively as possible.

With Sennheiser's range of headsets, the combination of Sennheiser sound leadership, quality design and build – and a focus on real life usability – give the best performance possible in offices, call centers and Unified Communications environments.

Please visit us at: www.sennheiser.com/cco

Sennheiser is one of the world's leading manufacturers of headphones, microphones, wireless transmission systems and high-quality headsets for both business and entertainment.

Drawing on the electro acoustics expertise of Sennheiser and the leading hearing healthcare specialist William Demant, Sennheiser Communications' wireless and wired headsets for contact centers, offices and Unified Communications professionals are the result of Sennheiser's and William Demant's joint leadership in sound quality, design, wearing comfort and hearing protection.
